

Hello Everyone! My name is Dimples - I am The Memorial's Clubhouse Kids mascot! Clubhouse Kids is a program that was developed by the Memorial Tournament presented by Nationwide Insurance to share golf year-round with youth. Did you know there are lots of things to learn from golf - math, self-confidence, history and of course, how to play the game? The Memorial's Clubhouse Kids is here to share all of those things with you! Check out some of our exciting programs below:

Membership Program - You can choose to become an official member of The Memorial's Clubhouse Kids! This is an optional program for youth. Clubhouse Kids members not only can surf the interactive pages of memorialclubhousekids.com, but they also receive a password to get into the "Member Locker Room" on the website. Members have the chance to be a part of future contests and receive the logoed merchandise listed below. See the registration form for details on how to join. Remember to get permission from a parent or guardian please!

Junior Golf Day - Each day of the Memorial Tournament youths 18 and younger are admitted free with a ticketed adult. There is a limit of up to four (4) youths with a paying adult. Wednesday is a great day for autograph seeking (in designated areas), watching scheduled Pro-Am play, following the treasure maps (at each gate) and attending the Jr. Golf Clinic in the evening (details below). See you there!

Junior Golf Clinic - Each year a Junior Golf Clinic featuring a PGA TOUR Pro playing in the Memorial Tournament presented by Nationwide Insurance is held Wednesday of Tournament week! Junior golfers can participate in activities and receive giveaways before the TOUR Pro program. Free admission and parking. Tournament ticket not required. Check the website for the date, time and details.

Golf Tour - The Golf Tour happens every spring. Club Pros from Muirfield Village Golf Club, where the Memorial Tournament is played, visit several elementary schools in central Ohio to teach students how to play golf in their p.e. class! This special visit with students is coordinated between school districts and the Memorial Tournament providing a teacher training program and the donation of equipment so kids like you will learn golf every year in p.e.!
